STAR assessment

“

BellXcel empowered our team to deliver a great summer learning experience to the scholars that needed it the most. The impact for our scholars, educators, and families was evident throughout the summer and the next school year.

Dr. Leticia Bhatia
Director Special Projects
South San Francisco Unified School District

A Solution to Scale-Up Impact

of parents said BellXcel helped them become more involved in their child's education

Empower with BellXcel

Create powerful summer and afterschool learning experiences that prepare scholars for success in school, and in life.

BellXcel uses research-based techniques in 21st century learning and whole child development. With BellXcel, your program's impact will transcend into your school-year classrooms and improve:

- math & literacy skills
- social-emotional skills
- teacher practice
- behavior management
- scholar self-confidence
- family engagement

Meet ESSA Requirements

ESSA calls for the use of evidence-based interventions, methods, and practices. BellXcel can help.

- BellXcel has a strong research and evaluation base to help you meet ESSA requirements
- Participated in multiple studies that meet standards
- Evidence reviewed and confirmed by school districts

bellxcel.org/ESSA

#1 Summer program solution in the U.S.

Delivered by partners in more than 150 sites across 32 states, BellXcel is the largest evidence-based summer learning program in the U.S.
