

Please confirm the participation of your parish to be the host of the first Fuerza Transformadora (Transformative Force) Ministry in your diocese.

Please read the program guidelines and FAQ before signing this form.

Overview

Your parish will serve as the primary location and initial home of the first ministry to at-risk population. This ministry will focus on the local Spanish speaking community. This is not meant to replace nor will it take away from any ministry you currently offer to the Hispanic community. Rather this ministry will bring in new participants, and develop and form new leadership within the Hispanic community.

As the pastor you will play a very important role in the success and development of this ministry to at-risk populations, with a particular focus to young adults above the age of 18.

Pastor's Role

You will primarily provide a supportive role and be available for communication with the consultant Jaime Torres, the founder of the Fuerza Transformadora ministry, and current Associate Director of faith formation from the Diocese of Little Rock Arkansas.

Additionally, you will designate a primary on-site contact that Jaime will work directly with.

You do not at this time have to identify local leaders that will receive the training for this ministry.

For your convenience, updates and status reports will be provided to you directly by Jaime Torres to keep you informed of this important new ministry.
