

## **Pastoral Ministry Certificate Program: Mexican American Catholic College (MACC)**

### Offering Pastoral Leaders in Mission Dioceses Undergraduate Theological Education

Overview and Purpose: Catholic Extension in conjunction with Mexican-American Catholic College offers pastoral leaders from mission dioceses working with the Hispanic community, who have not started or completed their higher education, this B.A.-level Scholarship at Mexican-American Catholic College to obtain a Certificate in Pastoral Ministry.

Program Summary: Over the course of 4 years, each student will complete **54 hours** of education and grow as a leader and transformative agent of change. The 54 hours of education will count toward the completion of a B.A. degree. Those who complete this certificate program can potentially apply these credit hours toward a higher education degree program at an ATS-accredited school of theology, should they wish to continue their education. \* While this is a distance learning program, we recommend that the student is on-site at MACC for a five-day period at least once a year. Each student must be enrolled and committed to attend 11 **consecutive** semesters to complete the program.
